Show case entry- A narrative/story.	Writing during daily Read, Write, Inc lessons. Handwriting lessons. Show case entry- Instructional writing.
SPAG	(Year 2 children go to Mrs Draper for SPAG lessons with TA) Verbs, nouns, adjectives, capital letters and full stops.	Verbs, nouns, adjectives, question marks, capital letters, and full stops.	Nouns, names of letters, singular and plural days of the week, exclamation marks.	Pronouns, un words, ed words, capital letters and full stops and plurals.	Using and in sentences, nouns and exclamation marks, question marks and capital letters.	Capital letters, full stops and to join clauses, suffixes and prefixes.
Speaking & Listening	In every subject taught across the curriculum the children are encouraged to speak and listen carefully to each other. The children participate in a lot of partner work where they are encouraged to give well-structured descriptions, explanations and narratives for different purposes, including for expressing feelings. Children are taught to speak audibly and fluently with an increasing command of Standard English. Opportunities to perform to an audience during drama sessions are also provided.					
Mathematics	Year 1 -To know some number bonds to 10 (adding two numbers to make any number to 10). Write calculations using +, -, =. Identify shapes and patterns and count up to 20 objects accurately. Use terms re-grouping and begin to know tens and ones. To read and write numbers to 30. To begin to reason and solve simple word problems.  (Year 2 children go to Mrs Draper for Maths lessons with TA)		Year 1 -Continue to focus on knowing number bonds to 10 and using this information to help with addition and subtraction problem solving and reasoning activities. To calculate using numbers to 20 and beyond. To further investigate tens and ones. To read and write numbers to 50. The children will also learn to count in 2s and 5s and 10s. To explore mass and length using standard and non -standard units of measure. Recognise halves and quarters. Know the days of the week. Know the months of the year. (Year 2 children go to Mrs Draper for Maths lessons with TA)		Year 1 - Read and write numbers to 100, count forwards and backwards from given number. Add and subtract one and two digit numbers from numbers to 20. Introduce multiplication and division and use them to solve simple problems. Tell the time using o'clock and half past. Recognise coins, calculate totals and give change.  (Year 2 children go to Mrs Draper for Maths lessons with TA)	
Science	Seasonal change- use weather wheel and seasons tree display all year.	<u>Animals</u> <b>Year 1</b> - To identify and name common animals including fish, amphibians, reptiles, birds and mammals. To use the term omnivore, carnivore and herbivore. To describe and compare structure of animals – wing, tail, fin, scale etc. To identify, name, draw and label the basic parts of the human body and parts of the body associated with each sense. <b>Year 2</b> - Animals have offspring, animals need water, food and air to survive. To understand the importance of diet and exercise.	<u>Everyday Materials</u> <b>Year 1</b> – To compare properties of materials. To use terms such as shiny, transparent, opaque, rigid, flexible etc. to describe materials. To sort materials into groups according to properties. Investigate magnetic and non-magnetic materials. <b>Year 2</b> – To identify and compare suitability of materials. Material can change shape, twist and stretch etc.	<u>Plants</u> <b>Year 1</b> -To name common plants including deciduous and evergreen trees. <b>Year 2</b> –To identify and name wild/ garden plants and trees.	<u>Plants</u> <b>Year 1</b> -: To identify and name common plants and trees in our local environment. To identify and name common wild and garden plants. To identify the basic structure of a variety of common flowering plants including trees (leaves, flowers, blossom, petals, fruit, roots, bulbs, seeds, trunk, branch, stem). Plant seeds and tend the allotment. Know names of common weeds. Draw leaves and flowers to make an identification book. <b>Year 2</b> - Observe and describe the growth of seeds and bulbs. Plants need water, light and correct temperature to grow.	<u>Living things and their habitats.</u> <b>Year 2</b> - To know the difference between dead, living and never alive. Living things adapt to habitats, understand the interdependence of animals and plants, name plants and animals habitats. Describe food chains.

Computing	How computers work? To recognise common uses of information technology beyond school plus internet safety.	Understand what algorithms are and how they are implemented as programs on digital devices and that programs execute by following precise instructions.	Understand what algorithms are and how they are implemented as programs on digital devices and that programs execute by following precise instructions.	<u>Data and information</u> To be able to use technology purposefully to create and organise and manipulate digital content. Drawing and creating text and labels.	<u>E-Safety</u> To understand the importance of keeping personal information private. Where to go for help if they have any concerns about content on the internet. Word processing skills.	
DT	<u>Structures</u> Joining reclaimed materials for stability and strength  Keepsake box – linked to History and Science	<u>Textiles</u> Joining (Y2) and decorating (Y1) fabric  * Christmas tree decorations * Mother's Day Purses Weather mobile – a baby toy – Geography link.	<u>Food</u> Combining by chopping and peeling - Health Week link  Make Fruit/ Veg salad/ kebab	<u>Mechanisms</u> Moving vehicle/ pull along toy – something to transport things from one place to another. Make links with explorers.  Father's day gift - TBC		
Humanities Hist./Geog	<u>Geography</u> Why does it matter where my food comes from?	<u>History</u> Why was Charles sent to prison?	<u>Geography</u> How does the weather affect our lives?	<u>History</u> Why do we know so much about Sappho and where did she live?	<u>History</u> What does it take to become a great explorer?  <u>Geography</u> What do we find at places where the land meets the sea?	
Art  (In addition - Continuous drawing throughout the year)	<u>Painting (Colour)</u> Painting of a tree – yearly assessment Self-portraits – observing anatomy  Colour mixing – colours in our environment – naming colours. Colours of Autumn – Autumn trees. Colours of food – natural colouring.	<u>Pattern (printing)</u> Exploring colour and pattern – different ways of printing.  Printing Christmas cards to send home.	<u>Texture (Textiles)</u> Creating transfers  Exploring colour, shape and pattern  Seasonal link – patterns through the seasons.  Create weather pictures with felt pieces.	<u>Texture (Collage)</u> Geography links – creating volcanoes and flags.  Study the artist Henri Matisse	<u>Form</u> Explore shape and form – link explorers.  Make gift for Father's Day – clay coasters.	<u>Drawing</u> Beach scenes  Sketching focus – Beside the seaside. Landscapes.  Digital media – taking pictures and drawing 'What can be seen'.
RE	1.6 Who is a Muslim and how do the live? (part 1)  <b>Harvest- No festival this year but thank you prayers can be written.</b>	1.3 Why does Christmas matter to Christians?	1.6 Who is a Muslim and how do the live? (part 2)	1.5 Why does Easter matter to Christians?	1.4 What is the 'good news' Christians believe Jesus brings?  1.8 What makes some places scared to believers?	
PE	<u>Gym</u> - To develop agility, balance and co-ordination. <u>Games</u> – Underarm throw Cosmic kids yoga	<u>Christmas Dance</u> - Nativity religious based <u>Games</u> – Catching/striking with hand	<u>Gym</u> - To develop agility, balance and co-ordination. <u>Games</u> – Overarm throw	<u>Dance</u> Theme of space and space travel <u>Games</u> – striking and fielding	<u>Swimming</u> Taught in group according to ability <u>Athletics</u> – Honey Pot	<u>Swimming</u> Taught in group according to ability <u>Athletics</u> – Colour Match Sports day
PSHE	<u>Classroom rules</u>  <u>Basic first aid</u>	<u>Keeping myself safe</u> Health and well-being People who help us Living in the wider world and internet safety	<u>Me and my relationships</u> - Feeling, emotions and friendships Kindness and Anti bullying	<u>Rights and responsibilities</u>  <u>British values</u>	<u>Life Education Visit</u>  <u>Valuing difference</u> <u>Media Influence</u>	<u>Growing and changing</u>  <u>All about me</u>
