

## Tapestry Consent Letter

Dear Parents,

At Foxmoor Primary School and Little Foxes Nursery we use a computer program called *Tapestry Online Learning Journal* which allows staff to record videos and photographs of the activities that your child does in our setting. Tapestry provides an invaluable way to communicate with parents and you will be able to find out about your child's life whilst they are in our care. You will also be able to upload photographs and videos of activities that your child is doing with you at home.

We are in the process of setting up parental access for the Tapestry program. This will allow you to view the photographs that we have taken whilst your child is in our setting

We will need your permission to allow you to have access to Tapestry. **We must also state that no photographs are to be shared on any social media platforms as they are only for your own personal use. If any parents do not follow this guidance their access to Tapestry will removed.**

You can read further information about Tapestry by following this link to the Foxmoor Primary School website.

[http://www.foxmoorprimary.co.uk/application/files/9816/4190/3143/Tapestry\\_Support\\_Page.pdf](http://www.foxmoorprimary.co.uk/application/files/9816/4190/3143/Tapestry_Support_Page.pdf)

Please can you complete the agreement below and return to school as soon as possible. As soon as we have your consent an activation link will be sent out.

Best wishes

Mrs. Rimmer  
EYFS Lead
