

15.05.2020

Dear Parents and Carers,

I hope this letter finds you all safe and well.

We are continuing to plan for a phased return to school on 1 June 2020 for Nursery, Reception, Year 1 and Year 6. We are also beginning to think about the possibility of welcoming all children back to school for the last four weeks of term.

In order for us to make accurate plans, we would like to gauge the number of parents who intend to send their child/children back to school. Can **ALL** parents please complete the online survey by accessing the link below. Please complete the form even if you do not intend to send your child to school. Mrs. Huband will contact parents directly regarding nursery provision.

You will need to complete the survey for each child who attends Foxmoor Primary School. For questions that ask if you are intending to send your child to school, please answer Yes or No. If a question does not match your circumstances, please answer NA.

I know many of you will have questions regarding how safe school will be by the 1 June. If you have any doubts then please read the guidance that I sent in my previous letter. At present, this is the only guidance that has been issued to schools regarding reopening.

Can all parents please complete the survey by 9am on Tuesday 19 May 2020.
