

Dear Parents and Carers,

I am sure you will have seen the announcement by Gavin Williamson, Secretary of State for Education.

I can confirm that at this moment in time, Foxmoor will be open as usual on Monday 4th January 2021.

You will be aware that Gloucestershire has now moved into tier 4 restrictions due to rising case numbers and in particular cases of the new variant, which is much more transmissible. It is now imperative that all parents and carers where masks at the school gates when dropping off and collecting children and that everyone maintains social distancing.

It is also vitally important that if any member of your household displays any Covid symptoms, you inform school immediately and follow the government procedures outlined in my bi-weekly newsletter.

The Senior Leadership Team will be meeting in the next few days and we will conduct our regular review of procedures. If any additional measures, or changes to current measures are required I will communicate these to you.

Kind regards

Mr. Bridgewater
