## Subject on a page

### Excellence Through Enjoyment

We aim to provide opportunities for children to experience physical education outside the school setting each year. We also develop partnerships with outside agencies in order to help children participate in a variety of activities that are new and engaging.

### Intent - We aim to:

Provide a PE curriculum that is ambitious, structured and progressive.

Develop children's understanding of a healthy lifestyle.

Provide a positive space where children feel confident, safe and happy.

Encourage the engagement of all students to reach their full potential.

### Implementation - How do we achieve our aims?

#### PE Confidence

- Pupils are encouraged to become active, competent and confident
- Pupils access a range of competitive & co-operative physical activities
- Pupils are supported with problem solving, respect, communication and resilience

#### Systemic Approach

- Physical skills are embedded and built upon throughout school
- CPD is introduced for staff to support knowledge and delivery of lessons
- Unit assessments allow all staff to have a secure knowledge of class progress
- Pupils are encouraged to participate in the 'walk to school' scheme

#### Building Connections

- Pupils are encouraged with social and leadership skills which can be applied in other areas of life
- The Active 30 initiative has been introduced to encourage children to move more and enjoy movement daily
- Physical skills are valued in achievements outside school

#### PE Talk

- Teachers have access to subject specific vocabulary through Complete PE and sports partnership resources
- PE vocabulary is recognized as fundamental for children to develop skills in comprehension, communication and critical thinking

#### PE Culture

- Foxmoor encourages inclusivity by ensuring that all lessons are accessible
- A wide variety of active opportunities are provided for all pupils

### Impact - How will we know when we have achieved our aims?

Pupils will be able to talk confidently about the aim of their lesson.

Children will be able to make sustained progress at their own level.

Physical, cognitive, social & well-being threads run throughout the school day.

Children will be able to cooperate, lead and work as a group.

Pupil activity and enjoyment in physical activity will increase.

Students will make healthy lifestyle choices.
