Schools may decide individually or collectively which 5 days in the year are INSET or non-contact days (days pupils do not need to attend). Academies and free schools are not legally bound by school day and school year regulations; however, the DfE has stated they should be working towards a minimum of 32.5 hours per school week by September 2024 at the latest.*

**Please note: There is still one INSET day to allocate. This will be added to the calendar as soon as it has been set.**
